## TRUE STORY

---

Divorced. Just re-married and broke. Bankrupt. Car impounded. Back to "renting" Mom's house and a total corporate "system" BURN-OUT. IRS chasing me. Yeah, the pressure was on.

Joining, failing, quitting and trying dozens of home business schemes, humiliated and completely alone in my head and embarrassed as hell. Then after discovering a profound secret and working my ass off day and night for MONTHS on end and experiencing hardship most would choose not to endure, making boneheaded "buckwheat mistakes" and burning through warehouses of programs with borrowed money:

**I CRACKED THE CODE and went from sorry MLM "Re-Tread" to a \$104,250 Month because I finally realized that people didn't get into a home business to push diet pills, lotions, potions, weeds and seeds, water filters, phone bills or any that rubbish...**

**THESE PEOPLE JUST WANT TO MAKE MONEY!**

Yes, they want to accomplish deeper things with the money, but in the beginning, they want to plug into simple systems that generate money quickly without hassles or MLM fantasies.

**You're about to discover the secret model and system that made me a half-million dollars!**

**1-800-320-5645 Ext. 6763**

**24-Hour Recording**

---

**Ok, so you mad it this far.** I guess that means you're serious. Maybe. We'll see soon enough if you're REALLY taking this seriously. That means you've listened to the above recording and you're now banging your head against the wall, saying *"WOW!" Finally somebody said it! This guy just hit the nail on the head. He's right and I don't want to push some stupid products and I'm tired of embarrassing myself by chasing people like a total jerk. I just want some money!*

Ok, cool. I can help you get some – FAST! With NO B.S. All you have to do is having some guts and an open mind to follow through on what I'm getting ready to show you. It's not for everybody but I'm helping people right now who have started receiving money within (2) days and that's with:

**NO TALKING! NO SELLING! NO CHASING! NO EXPERIENCE!**

And I'm not here to sell you some stupid "Get Rich For Dummies" manual or some "Click A Button Traffic Secret" e-book for \$19. I have no secret to sell. I don't play games. I'm going to **show you everything RIGHT NOW!** You can start working along with me and my team within the next 24 to 48 hours and start receiving money almost overnight.

What I'm going to show you in the next few pages is nothing short of a complete and proven money making

machine that is simple for you to plug in and operate even on a "shoe-string" marketing budget or no budget at all. Just like a Subway franchise or a McDonald's franchise, you'll be able to plug in and learn how to work the machine on the front end and then step back and let me do 99% of the "heavy lifting" for you **including following up** with your prospects and **closing your sales.**

You will then simply receive your profits, **100% commissions**, automatically deposited directly into your bank account from customers all over the world. This business model and system is global and it is completely mobile → where ever you are with access to the internet, even with a smart phone, you can run your "virtual franchise" and generate money. Fast. Simple.

**This model is NOT "new" either.** It is battle tested through time. Proven. Preferred. Successful. In fact, some of the most powerful, influential and independently wealthy entrepreneurs in the world have used and/or are using this business model now and include...

## **Introducing The Simple Freedom Club with The Empower Network**

**HANDS DOWN, THE LARGEST, RICHEST AND MOST ORGANIZED VIRAL INTERNET MARKETING CASH GENERATING MACHINE ON THE PLANET!**

**The Empower Network** is a private internet marketing training club and wealth building machine that allows you to create an infinite residual income almost overnight through the power of Advanced Viral Internet Marketing and Cutting Edge Affiliate Marketing.

Starting at the initial membership level, the minimum monthly cash flow you can receive is 100% commissions of monthly recurring membership cash flows. You earn 100% commissions direct to your bank account paid direct to you without any middlemen. The minimum membership product package is a HIGH END, SEO Marketing, Social Media Marketing enabled viral wordpress blog platform (don’t worry – we use show exactly, step by step how to use it) that costs only \$25 per month and pays you 100% commissions when your prospects buy it from you.

**The genius is our marketing system** which is scalable and as you progress, you own the second product package, the \$100/mth INNER CIRCLE COACHING – it also pays you another stream of powerful and leveraged 100% commissions per member each and every month so that with only 10 sales, your earnings are a full \$1000 MONTHLY RECURRING INCOME.

When you progress to our third product package, the COSTA RICA MASTERMIND VIDEO COACHING LIBRARY for a one time \$500 – you AGAIN earn a staggering 100% commission paid direct to you for \$500 streams that get sent direct to your bank account daily. Ten ( 10 ) sales of this product (that our marketing system makes for you) would generate a life altering \$5,000 stream of “right now” cash direct to you without hassles. And we have an additional \$250 product package (\$15K Formula Training Videos) that our system sells for you on the back end and pays you yet another stream of 100% commissions on complete autopilot.

Each stream of income from product package and membership sales builds to infinity and has an unlimited income potential and passive income built in (which I explain in a moment below). All your money is sent direct to you with no other people touching it. Empower Network’s

system tracks every sale for you and keeps track of all passive income coming to you, residual income coming to you and direct income coming to you directly 6 days a week.

**Incomes of \$4,750, \$12,500 and even \$20,000+ in monthly residual income at the very lowest (\$25/mth) level are presently being achieved.**

*\* Results are not guaranteed and your individual results may vary.*

Ok, before I explain HOW the income streams flow, I know you're probably saying to yourself, "What exactly is Internet Marketing and the Empower Network?"

The banner features the 'EMPOWER NETWORK' logo in a dark blue header with a 'MEMBER LOGIN >' button. Below the logo is a video thumbnail showing a man and a woman, with the text 'FOUNDERS MESSAGE' at the bottom. To the right of the thumbnail, the text reads 'FREE VIDEO' in red, followed by 'Simple, 3 Step Viral Blogging System Instantly Deposits Money Into Your Bank Account, Starting Today...' in bold black. A red arrow points from the thumbnail to a yellow 'WATCH IT NOW' button. Below this are three blue buttons: '1 BLOG DAILY', '2 TELL OTHERS', and '3 GET MONEY'.

I don't know, maybe you've doing Internet Marketing before, so this explanation might be wasted on you, but if you haven't, let me explain, it's simple really. "Internet Marketing" is the act of learning exactly what types of information, products and services people are looking to buy on the internet, and building a website, blog or marketing system designed to explain the product, service or membership, and sell it... preferably WITHOUT you having to be there "one-on-one" to present, explain and sell it. That's the concept. **It's a BILLION DOLLAR INDUSTRY** and you can "do" Internet Marketing for anything, literally ANYTHING can be sold online if you know what you're doing.

**Most people have no clue how to do it.** We, on the other hand, have mastered the concept.

Just imagine receiving money, in the form of bank auto-deposits into your bank account consistently every month, week and even daily from the sales of products, information and services that your website, automated marketing blog, and this very system you're reviewing right now by reading this Special Report... imagine OWNING a piece of it so that it can be generating sales for you daily and depositing money directly into your bank account!

And nothing does it easier than The Empower Network and our Simple Leverage System.

The banner features the Empower Network logo at the top left and a 'MEMBER LOGIN' button at the top right. On the left, there is a photo of a man and a woman with the text 'FOUNDERS MESSAGE' below it. To the right of the photo, the text reads 'FREE VIDEO' in red, followed by 'Simple, 3 Step Viral Blogging System Instantly Deposits Money Into Your Bank Account, Starting Today...' in bold black. Below this is a yellow 'WATCH IT NOW' button with a red arrow pointing to it. At the bottom, there are three blue buttons: '1 BLOG DAILY', '2 TELL OTHERS', and '3 GET MONEY'.

### **A MOVEMENT. A LIFESTYLE, SIMPLE FREEDOM!**

There is no such thing as a “good” or a “bad” economy. A good economy is one that you’re prepared for. Being prepared means having reserved capital to absorb losses and to take advantage of opportunities. So build capital. Be prepared! What flies high can crash, but having a few hundred thousand laying around in the bank can insure your complete independence.

**THE POINT IS TO BE FINANCIALLY SELF SUFFICIENT WITHOUT BEING ATTACHED TO ANYTHING!**

To be “really free” means that you’re a self-governing individual, who is financially self-sufficient and not indebted or controlled in any way, by an outside source such as credit cards, loans, interest, etc.

This means that you exist as an individual who owns and controls his or her labor and income. Usually as an entrepreneur, who is in possession of an ever-increasing source of income streams, that affords you the lifestyle of never having to borrow for any reason, because your wealth increases more rapidly than you can spend it. You act with self-discipline by only engaging in the purchase of material objects that are within your financial capacity. You never over extend or live beyond your means.

To achieve true “Simple Freedom” status you must possess specialized techniques or a specialized system that will allow you to generate wealth without working for someone else. A system that will produce an enormous residual and passive cash flow to allow the building of reserve excess capital and release you from your perpetual debt cycle and place you into a position of financial independence: Simple Freedom.

# Be honest. You don't wanna recruit or sell.

---

## You just want money. Am I right?

Here's a WIN-WIN marketing plan for the 95% who can't recruit or just don't want to!

**TRUTH:** 95% of "Home Business newbies" are NOT really entrepreneurs. They know you can make money from home, but DON'T know how and their schedule is too busy to "learn the art of doing business." So just give them a HUGE SYSTEM to point to and then let the BUSINESS PEOPLE do what they do best and CLOSE SALES!

### HARD FACT # 1:

The majority of "home business newbies" don't REALLY want a business ... they want money! To relieve the bill crunch. To help with their kid's school tuition. To afford a second car, so mom and dad don't have to share. And the list goes on.

### HARD FACT # 2:

The home business newbie doesn't have time to learn the "art of marketing" ... they're too busy making a living! A boss fills most of their day. Then their spouse and kids want attention. Then there's only enough time to watch re-runs of "ESPN SportsCenter" and then go to bed to get ready for tomorrow's grind.

### HARD FACT # 3:

The "newbie" just wants relief. They want it easy. They want a QUICK solution like fast food. If some guy orders fries, they just wanna drop a basket and push a button → **THINK McDONALD'S!**

**Because 97% of newbies aren't really cut out to be entrepreneurs.** They just want MORE money ... Like yesterday!

And they want a system that can DELIVER! → **THINK DOMINOS PIZZA!**

And you don't have to be an entrepreneur to become wealthy. But you do have to invest in entrepreneurs that have the genius to create systems and companies that rake in cash → **THINK WARREN BUFFET or STEVE JOBS!**

## So here's the Simple Leverage System Solution:

- #1: **You join** and mail out a predesigned flyer and/or postcard with YOUR ID on it. Prospect reviews system.
- #2: Full Time Professional Team Leader **handles all the inquiries and signs up YOUR prospects FOR YOU!**
- #3: **You receive 100% commissions on everything** and Team Leader receives the team pass up sales.
- #4: That's it! ----- **NO TALKING! NO SELLING! NO CHASING! NO HASSLES! Simple Freedom!**
- #5: Flyers, postcards, email ads, lead sources are already prepared.
- #6: **Just put a stamp on a postcard** or flyer and drop it in the mailbox. Post our ads online. **Simplify!**

## SEE FOR YOURSELF!

"An *Online Automated Money Getting System So SIMPLE A Tech Challenged X-Construction Worker Is Earning Thousands of Dollars in Daily, Instant 100% Commissions!*"

Don't just take my word for it... listen to what over 12,000 paid members are saying...

Sounds great, but what exactly are the products, right?

# The Full Empower Network Product Suite

---

**Our model is based on giving rock solid value to the customer, and helping you break through the barriers that have held you back.**

**How?** We provide a turn key traffic, and lead capture solution, built into the very essence of the internet – content creation. We realize that setting capture pages, configuring blogging plugins, and spending hundreds of hours customizing design aren't the real "money getting" activities that new entrepreneurs should be focused on...

...so we decided to simplify the entire process – from sales conversions, lead capture, and getting lots, and lots of traffic...

...into a turn key sales performance solution called:

**The Empower Network.** So what do we do, exactly?

We have a core set of products that are "hands off" in the sense that you can get started in 15 minutes, and you can either buy them as a customer if you just want training on how to build rock solid business – OR – you can also choose to have re-sell rights and earn 100% commissions to customers you refer.

Right now, the Empower Network markets 3 core products:

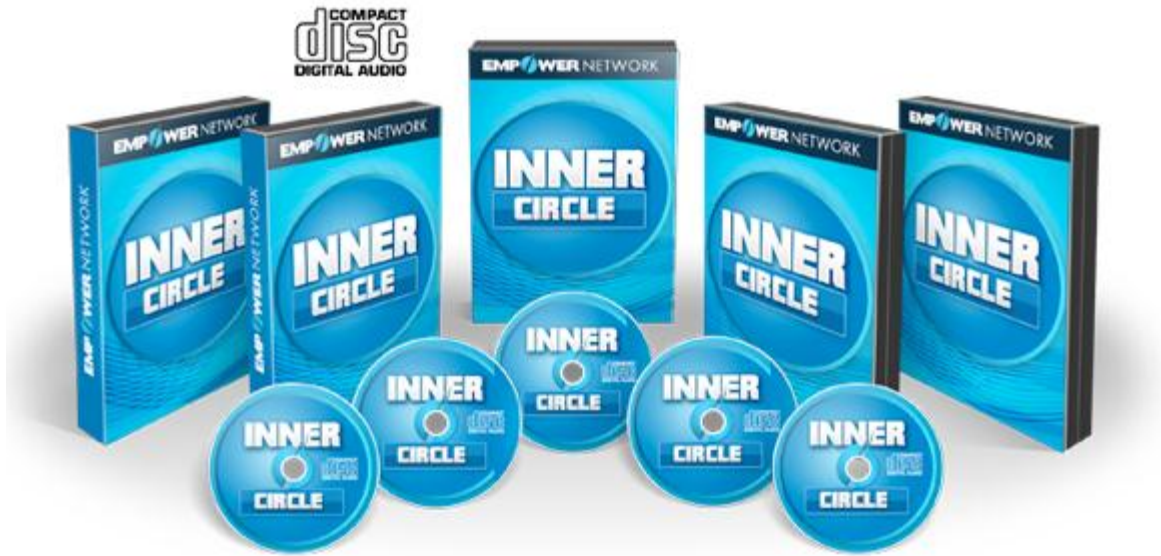

## The Empower Network Blogging System.

What is it? A turn key blogging solution, pre-formatted and integrated with the social networks, to help you get more traffic, capture leads, and build any home business faster, better and with less resistance.

For only \$25 per month, you get the full monty – a customizable blog built into the wordpress platform, complete with hosting, sales videos, capture pages – and if you want, you can even capture the leads into your own auto-responders. We've taken the utmost care to take our combined experience and to put it together into a turn key marketing solution that will knock your socks off.

## The Inner Circle *Mastermind Membership*

### What is it?

For only \$100 per month, you're going to get the best ongoing audio training you've ever heard in your life. We're interviewing industry Phenoms who want nothing more than to help you make more money, have a better life, and build your marketing automation machine...

...on complete auto pilot.

**3 times per week**, we're going to upload a 45-60 minute content rich interview from a marketing legend, and you can listen to it in your car, download it to your ipod, or get it transcribed and read them. Plus, you can get resell rights if you want, the ability to refer the training to others, and earn 100% commissions. You're also welcome to just hang out, listen and learn...

### Put simply, the Inner Circle is all of the training you'll ever need...

...all in one location.

Just plug, play and listen, we'll do the rest – let us EMPOWER you to build your business FAST.

You can also choose to market this course and earn \$100 per member, per month in residual income with our 100% commission affiliate compensation plan.

**And if you get more excited about earning big ticket income streams, you'll want to learn all about our \$500 per sale, 100% commissions plan on the next page...**

## The Costa Rica Mastermind Intensive

This is an 11 hour, HD intensive video series, filmed on location at a \$3,000 private retreat in the mountains of Costa Rica. This is a \$500 course that pays 100% commissions (\$500) on each sale.

You'll learn how to build a viral marketing machine like you've never imagined possible. This retreat was filmed BEFORE we built the Empower Network, and I actually teach HOW we've done what we've done.

Why is this valuable? I've used this information to do millions of dollars in info product sales, build viral traffic campaigns that out produce people spending \$30,000 per month on ads, for free, and to personally enroll more than 2,750 reps into 3 different network marketing companies...

**...after you get the Costa Rica Mastermind Intensive, you'll never need another training in your life.**

# Does This Really Work?

---

Entrepreneurs don't buy a McDonald's because they like the hamburgers. They buy it because it's a predictable money machine that works when ANYBODY turns the key!

Stand here, push a button and drop this... Push a button and Say this,  
Push a button and Wrap this, push a...

**Systems replicate. Not People. So Stand BEHIND our system.  
Mail this, Mail that. Push buttons. Don't sell. Collect cash!**

# Are You Ready To Sign Up?

---

My phone line is burning up with people who are anxious to talk to me, but I only speak to qualified prospects who take this seriously!

**Talk To Franco LIVE!**

**1.760.271.2810**

---

Are you qualified to get me on the phone?

**Let's See ...**

I do this full time and I run a large operation, so as you can imagine, I'm extremely busy. I do actually speak to people personally, but I don't speak to everybody and I don't return phone calls just because somebody leaves a voicemail and says *"Franco, call me back..."*

If you can answer YES to the following questions, then that means you're truly ready to join and we should talk ASAP! ...

## Qualifying Questions:

---

# 1: Did you review this entire Special Report, at least ( 4 ) times, without skimming, and have you listened to all of the recordings that were listed inside?

# 2: Did you watch all the videos on this page: [www.SimpleLeverage.com/VideoReview.html](http://www.SimpleLeverage.com/VideoReview.html)

# 3: Did you choose a membership package (\$25, \$100, \$500)?

# 4: Do you have all the money ready to join at the level you've chosen?

# 5: Have you gotten permission from everyone you need to consult with on a decision like this?

**If you CAN'T answer "YES" to ALL of the above questions, then you're NOT ready to join!**

If you CAN answer "YES!" to all of the above, then you need to call me ASAP, so we can schedule an immediate appointment for either one of my other Team Leaders or I to get you signed up. Because you're flowing through this PRIVATE SYSTEM I actually place you MANUALLY on my team so do NOT sign up automatically on any link.

**YES, this is exactly how I will be placing people in YOUR team so YOU get paid from the ever flowing traffic that finds me and my websites and winds up here.**

**Talk To Franco LIVE!**  
**1.760.271.2810**

---

### **IMPORTANT:**

If you don't get me live and you have to leave a voicemail, I will not call you back unless you do the following:

**Let me know in your message that you've reviewed EVERYTHING, give me your Inviter's USER ID or NAME, tell me what membership package you've chosen and that you are ready to get started ASAP!**

If you're a prospect and I don't hear a message like you see above ...

**I WILL NOT CALL YOU BACK ... PERIOD!**

*(this is exactly why I'm so effective at closing YOUR sales. No BS and NO TIME WASTED ON SKEPTICS!)*

A lot of people wanna talk to me and my time is reserved for those who take this seriously and can follow instructions. → This is a test. If you can't follow these simple instructions, you'll never make any money here or in any other program.

**Have you decided that you want to join, but are not yet ready, because you're saving or gathering up the cash and need a few questions answered in the meanwhile?**

No problem. But remember, this is only **basically a \$25 business decision** and EVERYBODY has \$25 or \$100 to start their own business that can generate \$\$ THOUSANDS \$\$ in multiple income streams **IF THEY ARE SERIOUS**.

So don't over think this. You can always *grow into the other levels with profits*. Don't focus on what you "CAN'T HAVE" and instead do what **entrepreneurs do and focus on what you can DO NOW** and grow into other things later with profits.

So email me your questions and I'll send answers back. If your questions require a private phone conversation, then I will call you. See my email address below, along with my rules on email communication.

**Did you already sign up?**

**If you're on my team already, congratulations! Do this if you need me:**

Call me and if you don't get me live, leave me your name, phone number, Empower Network USERNAME, your sponsor's name and a BRIEF description of what you need. I'll get back to you within 24 hours. If I don't get you live, I'll leave answers on your voicemail and/or email you with answers.

**Do you need to email me?**

**Send to:**

[itsfranco@gmail.com](mailto:itsfranco@gmail.com)

But read this carefully before you email me ...

I get tons of email every day and I don't respond to everything. I get questions ... testimonials ... hate mail ... spam ... joint venture pitches and even flirtatious women who send me provocative pictures, but anyway ...

I ONLY ANSWER EMAILS THAT REQUIRE SHORT ANSWERS!

AND I ONLY ANSWER IMPORTANT EMAILS!

**I DON'T ANSWER THE FOLLOWING EMAILS:**

# 1: You email me with a question that's *already answered in my websites, emails, audios, videos and this Special Report* ... (there is no need to have me repeating myself. This is a time waster)

# 2: You write me a novel with a hundred questions in it. (If you have that much to say, you need to **take more time and review the Special Report, the website, the videos and the emails and audios AGAIN**, because you may not have understood it yet... then give me a call to schedule a phone appointment. Faster answers.)

# 3: You spam me. (obvious)

I've used every single product inside the Empower Network. The lessons inside and the strategies in those products helped me market my home business and generate over \$18,650 this month alone and I did it while decreasing my usual work load.

And that's just the beginning because I'm using the training and the blogging platform to also offer up and generate even more sales with other affiliate marketing offers and my own coaching pretty much on autopilot...

Empower has helped me streamline and make my business a lot more efficient so I can focus on my own attraction and branding and serving my clients. It's the best of both worlds. The products are great. Can't say enough good things about them.

I've been blogging and helping others to set up their blogs for 2 years. The typical learning curve for a self hosted blog served as a 40% mortality rate for my students. Even when I showed them the leverage of creating a tribe for content syndication, some people just could not grasp it.

What Empowered Network has provided is literally a game changer. Anyone...and I mean anyone who has the desire to voice their passions, concerns, opinions, knowledge in text or video can do so within mere minutes of joining. The learning curve is 99% wiped away.

If that wasn't enough the training, leadership and movement that Empowered Network is creating will continue to grow. Blog system, products, opportunity...it's all here!

The training behind the Empower Network is the absolute best, it not only teaches you how to market online but it keeps it simple so almost anyone can do it. I feel comfortable sending my prospects to this system and I would recommend it to my Mom. Oh I almost forgot, the emails informing me of yet another monthly commission are very nice to wake up to as well.

'Love the POSITIVE approach and energy being projected to all members by the down-to-earth leaders. These are the kind of leaderships we need today especially among the masses.

*Folks - OBVIOUSLY, the income examples shown are extraordinary, and just representations from our personal experience - and not everyone makes lots, and lots of money here. We don't pay for recruiting affiliates, only for the sale of our systems and proprietary training products. We believe so much in full disclosure, that we made a live income stats page, and you can see what EVERYONE is earning at: [www.EmpowerNetwork.com/income.php](http://www.EmpowerNetwork.com/income.php) (Your success is going to depend on your hard work, leadership, and effort.)*
